FROM THE DESK OF JASON

Boating season is finally here, and we couldn't be more excited! Austin graduated from Oak Hill Academy and will be heading to MBA in the fall. Taylor graduated from the 8th grade and will be continuing at Ensworth, and Michael wrapped up another strong year at Oak Hill. We are incredibly proud! With school behind us, we're looking forward to a summer full of lake days and as many sports as we can squeeze in. Here's to sunshine, smooth water, and making memories!

BRING ON SUMMER WITH CHAPARRAL!

Chaparral knows how to pack premium features into a price that makes sense. With bold style and a smart design, the 23 SSI packs the kind of performance that makes every lake day better. Whether you're cruising with friends or tubing with the kids, Chaparral and Modern Marine are here to help you soak up some summer fun.
