

MODERN MARINE

FEBRUARY 2026 NEWSLETTER

FROM THE DESK OF JASON

February is here, and we are all hoping for warmer days ahead. This past week has been especially tough for the Nashville community, and we know many are still without power and dealing with damage to their homes. Please know that you, your family, and loved ones, along with our entire Middle Tennessee community, are in our thoughts and prayers during this time.

As we look ahead to sunnier lake days, we also have some exciting things happening at the dealership:

First, we are gearing up for the boat show. Yes, it is back, and it's better than ever. The Greater Nashville Boat Show will be held at the Nashville Fairgrounds March 5th through 8th, and we would love to see you there. This is a great opportunity to see the latest 2026 models from Cobalt and Chaparral and save big! Modern Marine will be at Booth E3, and tickets are on sale now!

In addition, we are currently running two major better than boat show savings events with both Chaparral and Cobalt, making this a great time for you to find your dream boat before summer is here.

We would also like to give a huge thank you to our service team, who have been working incredibly hard helping customers get their boats prepped and ready for spring and summer days on the lake.

As always, thank you for being part of our community. We are wishing you warmer and sunnier days ahead and continuing to think of you and those you love during these challenging times.

We look forward to seeing you soon - at the boat show, in the dealership, or out on the water!

Jason

MEET THE MODERN MARINE TEAM !

JEREMY FLINT
SERVICE MANAGER

Jeremy joined the Modern Marine team in November as our new Service Manager. Some of you may recognize him from his 14 years working as a technician in our service department. We are glad to have him back on our team!

Jeremy also served in the U.S. Army and is a proud veteran. Outside of work, he enjoys spending time with his family and his two kids. When time allows, he enjoys hunting and getting out on the water to fish.

If you've recently had your boat serviced, we would greatly appreciate a review. Let us know how we did or if there is anything we can do to make your experience even better!
