

MODERN MARINE

MARCH 2026 NEWSLETTER BOAT SHOW RECAP

FROM THE DESK OF JASON

March is here, and with the warmer weather starting to roll in, we are all getting excited for spring and the lake days ahead.

First, I want to start by sharing that the Greater Nashville Boat Show was a huge success. We were incredibly proud to help bring the boat show back to Nashville, and I could not be more thankful for the hard work of our entire team. I also want to extend a special thank you to our fellow Middle Tennessee dealers and the Greater Nashville Boat Show team who worked tirelessly to make the event possible.

And of course, thank you to all of the customers who stopped by our booth. We truly enjoyed meeting many of you for the first time, reconnecting with familiar faces, and catching up with longtime customers and friends. From selling boats to building new relationships, the boat show was a great reminder of what makes the boating and Modern Marine community so special.

On the home front, the kids and I are heading to Costa Rica for spring break in a few days, and we are looking forward to exciting adventures and a little relaxation.

If you are thinking about upgrading or getting into boating this season, now is still a great time. We currently have some amazing pricing on both new and pre-owned inventory, and our team would love to help you find the perfect boat before summer arrives.

As always, thank you for being part of the Modern Marine family. We look forward to seeing you soon, whether that's in the dealership or out on the water.

Jason

MEET THE MODERN MARINE TEAM !

CULLEN DOUGHERTY
HEAD TECHNICIAN

Cullen joined the Modern Marine team in 2020 and serves as our Head Technician. As a key leader in our service department, he plays an important role in keeping our service operations running smoothly and ensuring our customers receive top-quality work.

Originally from Chesapeake, Virginia, Cullen attended the Marine Mechanics Institute, where he developed the technical skills and knowledge that make him such a valuable part of our team. Outside of work, he enjoys spending time outdoors hunting and fishing.
