## MAY NEWSLETTER

### FROM THE DESK OF JASON

It's hard to believe May is already here and summer is just around the corner. I hope you've been able to enjoy the warmer weather and a few early days out on the water. Around our house, the kids are counting down the days until school is out and already looking forward to beach trips, lake days, and all the fun that comes with summer.

As we head toward Memorial Day, things are really starting to pick up as everyone gets ready for the season ahead. Whether it's your first trip out or getting back on the lake, it's one of the best times of the year to be out on the water.

Back at the dealership, our team is working hard to help both new and returning customers get ready for the season. If you've been thinking about upgrading your boat, we're here to make the process easy and enjoyable. We've got some great deals on pre-owned inventory, a few remaining 2025 models, and our brand-new 2026 inventory has arrived, so now is a great time to find the perfect boat for your season ahead. Our service team is ready to help make sure you're set up for a smooth and stress free boating season.

We're grateful to be part of your boating experience and always appreciate the opportunity to serve you and your family.

Wishing you a wonderful May filled with sunshine, lake days, and time well spent with the people who matter most.

### MEET THE MODERN MARINE TEAM !

Stephen Sasnette Service Manager

Stephen is our Service Manager and a key part of the Modern Marine team, having supported the dealership in a variety of roles over the years. His experience and commitment to helping customers make the most of their time on the water make him an important leader in our service department. Outside of work, Stephen enjoys spending time with his two kids, his 16 year old son and 9 year old daughter. He is also a big fan of the Tennessee Titans and is hoping that next season is better than the last few. When he is not at the dealership, you can often find him relaxing and working on his farm in Alabama.
