

AUGUST NEWSLETTER

FROM THE DESK OF JASON

We hope everyone had a great Memorial Day weekend and enjoyed some time with family and friends. With boating season officially here, things have been busy around the dealership as more people get back out on the water and start spending weekends at the lake again. It's always exciting to see summer activities pick back up and everyone getting back into lake season.

Our team is here to help with anything you need this season, whether it's service, finding the right boat, or getting your current one ready to go. We've also still got new 2026 inventory arriving along with a great selection of pre-owned boats available, so it's a great time to stop by and see what's new.

It was a busy weekend on my end as well between Memorial Day and getting married, but it made for a pretty great start to the summer season.

We appreciate all the continued support and look forward to another great summer on the water.

Jason

It's hard to believe, but winterization season will be here before we know it!

Over the coming weeks, you'll be receiving our 2026 winterization flyers. Be sure to fill them out to reserve your spot early and help us prepare for another smooth service season.

We appreciate your continued trust in Modern Marine and look forward to seeing you all this winter!
