FROM THE DESK OF JASON

Labor Day weekend is just a few days away, and we're looking forward to one more big weekend on the water before summer starts to wind down. We hope everyone has a chance to get out on the lake, enjoy time with family and friends, and make the most of the holiday weekend.

There's some exciting news at Modern Marine with the launch of the all-new Cobalt R6 and R6 Surf. These new models bring Cobalt's signature design, performance, and craftsmanship to the next level — and pre-orders are now open. If you've had your eye on a new Cobalt, now is the time to connect with our team and reserve yours.

While there's still plenty of boating season ahead, it's also a great time to start planning for the end of the season. Schedule your winterization and service now to get ahead of the rush and make sure your boat is ready for the off-season.

And there's even more on the horizon at Modern Marine. Stay tuned for some big news coming soon — you won't want to miss what's next.
